

Junior Section Years 3 to 6 Uniform, PE & Games Kit

MGS prides itself on keeping the cost of its uniform, PE and games kits as low as possible, whilst maintaining a level of quality to ensure longevity of garments. We have negotiated very reasonable prices with *Monkhouse* for the supply of our standard uniform and our PE and games kit. However, other than the badge, the tie and the games shirt, all our garments can be purchased from high street stores.

Information on how to obtain all of our School uniform from *Monkhouse* is posted under the **For Parents** section of the website **mgs.org**.

School Uniform

- **Dark blue blazer with School badge** – Alternatively, a plain dark blue blazer may be purchased. Badges are obtainable from *Monkhouse* to be attached to the blazer.
- **School tie** – Ties are available from *Monkhouse*. Replacement ties can be bought from the Junior Section Secretary, Jacky Thorn, during term time.
- **Shirt** – White shirt
- **Trousers** – plain dark grey or black and of conventional cut and material.
- **Pullover** – if worn must be V-necked in navy (with or without owl motif) and must be plain
- **Shoes** – plain black of conventional style. Shoes should be polished regularly. Training shoes are not permitted.
- **Outdoor wear** – raincoats, cagoules or anoraks are acceptable. Eccentricities of style in outdoor clothing are not permitted.
- **Laboratory coats** are now supplied by the School.

Whilst the PE and games kit list is compulsory for our Junior Section boys, we **only recommend** that it be purchased from *Monkhouse* for uniformity. It is MGS policy that other than the School badge and tie, the majority of our uniform can be purchased through any of the major high street stores; the only exception with the games kit being the games shirt. However, any sports or games kit worn must be in the School colours navy and white.
